STRIKING STYLE AND SUPERIOR FUNCTION

Basin selection is about combining function and style and goes a long way in setting the tone of the bathroom. Whether you are looking for minimalist design, geometric style to make a bold statement or simply a classic complement to the bathroom, Caroma has a basin to cater for every style and functional requirement.

above counter & inset basins

Above counter basins are a popular modern design option. They offer a distinctive look and can serve as a decorative piece within the bathroom space. Inset basins are partially concealed within the benchtop. They offer a more understated feel allowing you to draw attention to your tapware or bench top selection.
